The Supported Accommodation Assistance Program (SAAP) works with people who are aged from 15 years up. The program provides accommodation assistance and support to individuals and families who are homeless or at risk of becoming homeless. The support offered includes access to crisis and transitional housing, assistance to complete housing applications, referral and assessment, mediation, early intervention and brokerage through HEF (Housing Establishment Fund) to maintain or obtain private rental. The aim of the program is to assist people to move through crisis and/or homelessness to independence and to maintain appropriate secure and sustainable housing.
