Car Parking

All parking in the Kyneton business district is free and at most times it is possible to find a car parking spot very close to where patrons wish to shop.

Most parking within the shopping precinct has a 1.5 or 2hr limit.

The car parks adjacent to the Safeway and IGA supermarkets have a 2hr limit.

There are 4 all day car parks within 100m of either Mollison or High Streets:

Hutton Street (behind Kyneton Town Hall)

Hutton Street (opposite the Kindergarten)

Market Street

Simpson Street (opposite the Bowling greens)

Kyneton Railway Station has a large all day car park for commuters

Most streets close to the shopping precinct allow all day parking.

Planning Permits

If you intend to construct a building, change the use of a building or land or carry out any form of works/construction then a planning permit may be required from the Macedon Ranges Shire Council. Anyone who is unsure whether they require a planning permit can contact a Council Planning Officer through 54220333.

Planning Application forms can be obtained by phone request, visiting the Shire Office in Mollison St or by downloading from www.macedon-ranges.vic.gov.au. Charges apply.

Time to process the application will depend on its complexity. The Shire's Planning Department is located at the Gisborne Office – so a trip to Gisborne may be needed if a face to face meeting with the Planning Officer is required

Waste and Recycling Collection and Disposal

Collection of garbage and materials for recycling

For residents in the Shire's collection areas garbage is collected weekly and materials for recycling fortnightly. All of Kyneton and District's garbage (placed in the small 120l bins is collected from the Kerbside on Tuesdays but Kyneton North's recycling (In bigger 240l bin) is collected one Tuesday and Kyneton South the alternate Tuesday. The Shire recommends that bins be out for collection by 6am. Bins should be as close to the gutter as possible with the handle nearest the house. The garbage and recycling bins should be at least a metre apart.

The calendar for collection which contains full details of what can be recycled can be obtained from the Shire Office in Mollison St or from www.macedon-ranges.vic.gov.au. Queries about collection should be directed to the contractor Cleanaway on 1800 134 870 or the Shire on 54220333.

The annual charge for the initial set of garbage and recycling bins and the associated service is \$190 which is levied through the quarterly rates payment.

Stolen or missing Bins Were a residents bin is either missing or stolen they need to complete a declaration and fax it to the contractor on 54415008. The forms can be obtained from the Shire Office or downloaded from www.macedon-ranges.vic.gov.au

Kyneton Transfer Station 140 Redesdale Rd Kyneton 54223661

Open: Wed, Fri, Sat, Sun: 10am-4pm except total fire ban days, Christmas, New Year and Anzac Days and Good Friday.

The Station accepts green waste and hard waste (such as furniture, bicycles, mowers, etc.) at a charge. Recyclables are accepted free of charge.

Recyclables include glass, aluminium cans, paper and cardboard, plastics codes 1, 2 and 3, and steel cans.

Computers, mobile phones and phone batteries can also be disposed of free of charge. The charges for various categories of waste can be found on the Shire website:

www.macedon-ranges.vic.gov.au

Waste Disposal for residents not in the Shire Collection area.

These residents can take their garbage to the Transfer Station in Redesdale Road (charges apply) or can arrange to pay a private contractor to do a weekly collection. The local private contractor is Bins Direct 54248122.

Disposal of Printer Cartridges Printer cartridges can be taken for recycling to the Kyneton Post Office and the Kyneton Office Shop.

Disposal of Pharmaceuticals and Medicines

Unused medicines should be taken to Pharmacy. The pharmacist will arrange for their safe disposal.

Disposal of Household Chemicals

The Macedon Ranges Shire Council in partnership with Sustainability Victoria, once each year at a time and location notified in the local media, receives unwanted household chemicals such as paints, batteries, weed killers, solvents, glues etc.

Youth Justice Centre – Malmsbury

The Malmsbury Youth Justice Centre is located at the Southern end of Mollison Street Malmsbury. The original centre was built in 1965 and following a major redevelopment a new centre was completed in December 1997.

The Centre accommodates up to 74 males aged between 18 and 21 in four purpose built units. Malmsbury has no external perimeter enclosure. Security is based on active staff interaction with clients.
